

BioEM 2025

Thursday 26 June 2025

**Oral Session 9: Environmental Field Measurements in Support of Exposure Assessment I - La Nef (09:30 - 10:30)**

-Conveners: Theodoros Samaras; Lea Belackova

time	[id] title	presenter
09:30	[326] Characterizing Uplink RF Exposure in Real-World Scenarios: Insights from Voice Call Measurements in Paris	WIART, Joe
09:45	[327] Time trend of radio frequency electromagnetic field exposure levels in outdoor environment in Japan	TAKI, Masao
10:00	[328] 5G massiveMIMO sub 6 GHz measurements for exposure assessment in Wallonia	DESMET, Stéphane
10:15	[329] Exposure assessment of 5G and legacy telecom technologies RF EMF across four European countries using spot measurements	DEPREZ, Kenneth
