

BioEM 2025

Thursday 26 June 2025

Scientific Tribute to Alexandre Legros - La Nef (13:30 - 14:30)

-Conveners: Rene de Seze; Julien Modolo

time	[id] title	presenter
13:30	[386] Introduction	MODOLO, Julien DE SEZE, Rene
13:45	[346] Perception Threshold and Cortical Activity during Peripheral Powerline Frequencies Alternating Magnetic Stimulation	FRESNEL, Eleonore
14:00	[347] Craniocentric Sway: Balance Modulation Points to Vestibular-Sensitive Myogenic Responses to Weak Electric Fields	BOUISSET, Nicolas
14:15	[348] Recurrence quantification analysis of EEG signal during human magnetophosphene perception induced by extremely low frequency sinusoidal magnetic field	MOULIN, Maëlys
